Dear Carol & Mr. Schroder, Mrs. Adams,

Here is your copy of the old Dewey Cement Plant. It is not as clear as I had hoped and the tint is not as good. I'm hoping the computer enhanced version will improve it.

It is still impressive and "Colored Row" is clearly evident. A true find and thank you three again for leading "Outside In" to it. Regretably, repeated attempts by e-mail & telephone to Dan Baker have not brought any response. If you three can help us find one we'd be grateful.

Sincerely, Ed Chase
